

Huddersfield Geology Group Newsletter

November/December 2017

Forthcoming Events

HUDDERSFIELD GEOLOGY GROUP

Monday 11th December

Meal at the Croppers Arms in Marsh at 7.00pm for meal and a geological natter. Book by November 30th with Julie at secretary@huddersfieldgeology.org.uk

Monday 15th January

Women in Geology

Talk by Paul Hildreth Greenhead College Room M18 at 7.15pm

MID-WEEK GEOLOGY GROUP

Tuesday November 14th – 10.30 at National Mining Museum Meet Andy Smith the Mine Manager for a 'Drift Walk' with explanation of coal measure exposures, samples and mining techniques. Use the on-site café for lunch or bring a picnic. After lunch at 2pm we shall take a short walk to inspect a good surface exposure of a coal seam (one of the Flocktons) and also possibly the Tankerley Ironstone.

Thursday December 14th – AGM Meet at 10.30 for coffee at Bridge Inn Walshford Wetherby LS22 5HS As always, all are welcome. Our Christmas Lecture will be given by Dr Liam Herringshaw (Hull University) who will speak to us on: "Miners, gardeners, engineers: how burrowing critters changed the world". This will be followed by an introduction to our trip in May 2018, Christmas Lunch and AGM
